SNEHA JADHAV

FRONTEND WEB DEVELOPER | UI/UX DESIGNER

PROFILE

Frontend Web Developer & UI/UX Designer with 2+ years of experience in designing and developing responsive, SEO-optimized, and user-centric websites. Strong expertise in HTML, CSS, JavaScript, WordPress, and UI/UX design using Figma, with hands-on experience converting wireframes into pixel-perfect, production-ready web pages. Proven ability to collaborate with clients, understand business requirements, and deliver high-quality frontend solutions.

PROFESSIONAL EXPERIENCE

Web Developer | Digital Pitha

May 2025 – Present | Bengaluru, Karnataka

- Designed and developed 10+ responsive websites using HTML, CSS, JavaScript, and WordPress, following mobile-first and SEO-friendly practices.
- Created UI/UX wireframes and layouts in Figma and converted them into pixel-perfect, responsive web pages.
- Built and customized websites on WordPress, including theme customization and plugin integration.
- Implemented on-page SEO techniques such as meta tags, headings, internal linking, and image optimization to improve search visibility.
- Collaborated directly with clients to gather requirements and deliver tailored frontend solutions.
- Designed marketing creatives and website content layouts to support branding and user
